« I am the girl who... »

I am the girl who is alone,  
I am the girl the others tease every day,  
I am the girl who would speak to someone,  
I am the girl who would leave far away.

I am the girl who is harassed by a bully,  
I am the girl that you can see,  
I am the girl who should denounce bad treatment,  
I am the girl who shouldn't let them be intolerant.

I am a girl, a person, like you.  
Stay together, Stop Bullying.
